Product description

Cirafon USB-C to Lightning fast charging cable

Experience fast and efficient charging with Cirafon's USB-C to Lightning cable - the perfect accessory for your iPhone, iPad or iPod with Lightning connection. With this cable, you can both charge your device and sync it to your computer via iTunes.

Fast charge your iPhone

In a hurry? Don't worry. iPhone 8 and later models support fast charging, which means you can charge your device up to 50% in just 30 minutes. This cable is compatible with USB Power Delivery (PD), a technology that enables faster and more efficient charging when used with a PD-compatible charger. Perfect for those on the go who need a quick battery top-up.
