Product description

VOXICON MICROPHONE USB

Key features

- Plug and Play USB microphone:** Quick and easy connection via USB port
- HD calls with noise reduction:** Intelligent noise reduction and 360° audio pickup for clear calls

Crystal clear HD calls

Enjoy crystal clear calls with VOXICON MICROPHONE USB. This high-quality microphone is ideal for video meetings, telecommuting and conferences thanks to its advanced noise-canceling technology and 360° omnidirectional audio pickup. With a pickup range of up to 3 meters, you can move freely around the room and still be heard clearly.

Easy Plug and Play installation

Simply connect the microphone to your Voxicon 4K Ultra HD USB Videobar via USB and start using it right away without any hassle. No extra driver or software needed - just plug and play. This makes the VOXICON MICROPHONE USB the perfect choice for professional users.
