

# Skyportal

## Consolidated Insights into one Single Pane of Glass

Enjoy the transparency of Skyportal, the Managed Services customer portal. It offers real-time insights of your services, all consolidated into one place. The portal also offers integrated recommendations and self-service capabilities.

### Real-time insights

Easily check the status of your IT and deep-dive into the insights.

### Stay up to date

Stay in control and up to date with the latest news about our services.

### Easy self-service

Enjoy the flexibility of performing easy self-service by yourself.

## Services in Skyportal

In Skyportal, you have an easy-to-use overview of your services. The portal offers insights within all our service areas, including Security, Workplace, Network, Cloud and Data Protection.

## Dustin IT as a Service

Skyportal is fully integrated in our Dustin IT as a Service concept: the definitive subscription model designed to seamlessly outsource your entire IT infrastructure.

## Ready to simplify your IT?
