cirafon

CHARGER & CABLE KIT 30W - IPHONE 1MWhite

Data sheet

Summary

- ✓ 30W Fast Charger
- ✓ USB-PD (Power Delivery) - fast and efficient
- ✓ USB-C for universal compatibility
- ✓ Compatible with all types of mobile devices

Product description

Cirafon 30W USB-C Fast Charger - Fast Charging in a New Way

Key Features:

- 30W Fast Charger
- USB-PD (Power Delivery) - fast and efficient
- USB-C for universal compatibility
- Compatible with all types of mobile devices

Fast Charge Your Devices in Record Time

The Cirafon Wall Charger 30W USB-C allows you to charge your smartphone or tablet quickly and safely. Whether you're using an iPhone with a USB-C to Lightning cable or an Android device, you can expect efficient fast charging via the powerful USB-PD technology. Delivering up to 30W, the charger allows you to charge your device up to 50% in just 30 minutes.

USB-PD Power Delivery - Fast and Safe Charging

USB-Power Delivery (PD) is a charging technology that offers flexible and powerful solutions for all types of devices. Whether it's smartphones or tablets, the charger automatically adapts to optimize the voltage and provide the fastest and most efficient charge for your device.

Universal USB-C Compatibility

The USB-C port provides compatibility with all devices that support fast charging via USB Power Delivery (PD). From smartphones and tablets to other USB-C devices, this charger can be used to quickly charge a variety of devices. This means you can rely on a single charger for all your mobile devices.

Specifications:

- Input Voltage: 100-240VAC
- Maximum Output Power: 30W
- Output Voltage: 5V/3A, 9V/3A, 15V/2A
- Compatibility: All mobile devices with USB-C
- Technology: USB Power Delivery (PD 3.0)
- Protection: Over-current, over-voltage, short circuit, and overheat protection
- Dimensions: 40mm x 23mm x 88.06mm
- Weight: 56.8g

Easy and Safe Charging

This charger offers superior safety with features such as overcurrent protection, overvoltage protection, short circuit protection, and overheat protection. You can rest assured that your device will be charged safely, even during fast

charging.

Design That Fits Everywhere

With its compact size and stylish design, the Cirafon Wall Charger fits easily into your everyday life—whether you use it at home, in the office, or on the go.

Cable Purchased Separately

To start charging your device, use the right cable, such as a USB-C to Lightning cable for iPhone or a USB-C to USB-C cable for other devices.

The Cirafon Wall Charger 30W USB-C is the optimal solution for anyone looking for fast, safe, and flexible charging for their mobile devices. Charge your devices quickly, efficiently, and effortlessly, wherever you are.

Technical Specification Matrix

Header

Performance

Charger type	**Indoor**
Charger compatibility	**Digital camcorder, Digital camera, Headphones, Mobile computer, Portable gaming console, Smartphone, Tablet, Telephone, Watch, Wearables**
USB Type-C ports quantity	**1**
Programmable power supply (PPS)	**Yes**
Fast charging	**Yes**
Number of outputs	**1 outputs**
USB Power Delivery	**Yes**
Fast charging technology	**Power Delivery 3.0**
USB Power Delivery revision	**3.0**
Number of simultaneously connected devices (max)	**1**
Backup function	**Yes**
USB Power Delivery up to	**30 W**

Design

Product colour	**White**
Housing material	**Polycarbonate (PC)**

Power

Output voltage accuracy (±)	**3 %**
Input voltage	**100 - 240 V**
Input current	**0.1 A**
Input frequency	**50 / 60 Hz**
Maximum power	**30 W**
Port 1 output power	**30 W**
Output power	**30 W**
Maximum output voltage	**15 V**
Output current (5V)	**3 A**
Minimum output voltage	**5 V**
AC adapter power	**30 W**
Output current (9V)	**3 A**
Output current (12V)	**1.67 A**
Output current (15V)	**2 A**
