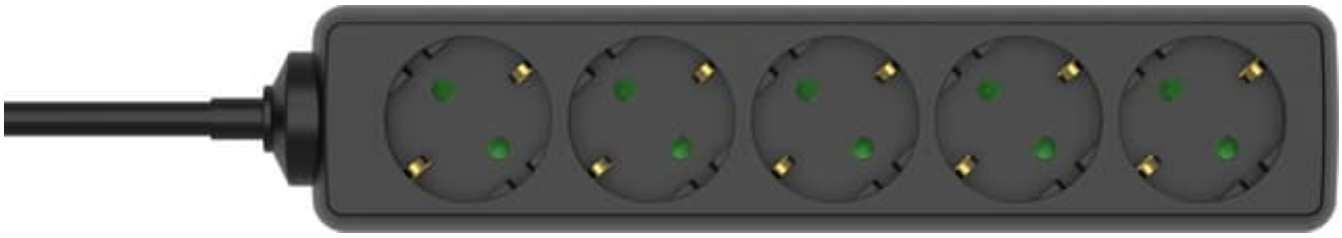
PROKORD



Power Strip

Data sheet

Summary

- ✓ Cable length: 5 m
- ✓ Conductor material: Copper
- ✓ AC outlet types: Type F
- ✓ Power plug type: Type F (CEE 7/4)
- ✓ Power plug form factor: Angled
- ✓ Product colour: Black

Product description

Why choose this power strip?

Prokord power strips make it easy to power multiple devices from a single wall outlet. The well thought-out design allows flexible placement while keeping cables organized and out of the way. With high load capacity and robust construction, it is just as suitable in the home office as in meeting rooms and professional environments.

Practical everyday use

Prokord power strips are developed to simplify power management at home and in the workplace. Multiple outlets make it easy to connect computers, monitors, chargers, AV equipment and other electrical devices to a common power source.

The discreet design blends naturally into both modern offices and home environments, while the well planned cable routing contributes to a cleaner and more organized installation.

Reliable performance and safety

The power strip is built with high quality copper conductors for stable power supply and minimal voltage loss. The products meet relevant safety and environmental requirements according to CE, RoHS and REACH.

Intended for indoor use, Prokord power strips provide a safe and reliable solution for everyday electrical needs. The robust construction and generous warranty provide extra peace of mind during long term use.

Technical Specification Matrix

Header

Manufacturer	**Prokord**

Features

Cable length	**5 m**
Conductor material	**Copper**
AC outlet types	**Type F**
Power plug type	**Type F (CEE 7/4)**
Power plug form factor	**Angled**
On/off switch	**No**
Product colour	**Black**
Placement supported	**Indoor**
Core size	**1.5 mm²**

Technical details

Warranty period	**3 year(s)**
Compliance certificates	**CE, REACH, RoHS**

Ports & interfaces

AC outlets quantity	**5 AC outlet(s)**

Power

AC input voltage	**230 V**
Maximum input power	**3680 W**
AC input frequency	**50 Hz**
Maximum current	**16 A**

Packaging data

Number of products included	**1 pc(s)**

Logistics data

Harmonized System (HS) code	**8544422100**

Weight & dimensions

Width	**310 mm**
Height	**85 mm**
Depth	**95 mm**
Weight	**707 g**
