

Digitize all in a snap!

IRIScan™ Desk 6 is a versatile document scanner and a support for distance learning sessions. Its innovative Artificial Intelligence (AI) technology like fingers removal, auto page-turn detection, curvature flattening for books, text to speech word by word, video capabilities along with its exclusive IRIS design shape make it the #1 reference of the scanner of A4/letter size and pocket book on the market.

All books, magazines & paper documents up to A4/letter size can be scanned directly at speed down to less mere 1 sec/page without being tear or unbind. Even multiple small documents like receipts or parking tickets can be scanned at once thanks to its multiple cropping function.

IRIScan™ Desk 6 is also the ideal tool for Dyslexic people thanks to the advanced Text To Speech feature that allows you to read and listen in parallel word by word any document!

IRIScan™ Desk software also integrates the latest IRIS OCR engine with a powerful user interface which converts scanned documents into searchable PDF, image PDF, Text PDF, Text, Word, Excel, JPG format and even MP3 or WAV audio files! Listening to your document becomes an easy reality!

On top of, its lens of up to 12 MP extrapolated allows to create simple web tutorial, unboxing video or online demo at up to 15 FPS for a positive & efficient remote audience experience!

Discover a new approach to the digitization of documents, books and live demo video. Fully compliant with Zoom, Team, Skype or Google the IRIScan™ Desk 6 will improve your remote sessions and distance learning experience & comfort!

The IRIScan™ Desk 6 comes also along with a free IRIS productivity software: Readiris PDF Reader (PC) offers you an indexed PDFs manager as from any file format in one place.

Key features

- Ideal for use in home, office or while traveling: truly portable design USB powered
- Digitize any documents and pocket books up to A4/letter size thanks to Artificial Intelligence (AI) flatten curve technology! Then convert, edit and share content remotely!
- Powerful camera lens of up to 12MP along with built in mic to catch any details, create and record Youtube tutorial, unboxing video,... at up to 15FPS (video recording)
- Automatic documents detection. Multiple small documents (receipts, parking tickets,...) scan at once, just place them on the provided Scanpad. Gain time to submit your expense reports!
- Self-timer shooter: Automatically scan after setting the shooting interval time. Ideal for scanning large volumes or binders without constraints.
- Create Epub or PDF format before listening or reading them directly in your favorite electronic reader. Get text to speech capability via MP3 or WAV audio files output format
- Text to Speech Technology (TTS) word by word read & listen to any document
- 1-Click scan: save as a compressed PDF or export to a Word file in just a snap.
- High quality Video Recording function to record the progress of any operation or demo. Very convenient for recording web tutorials, unboxings, online demo, lesson explanations or live projections.
- Advanced image processing, contrast image settings & features
 - Auto page-turn detection sensor
 - Book curve image-flattening technology
 - Erase finger from image function
 - Front and back cover pocket book detection (148 x 210 mm) (5,83" x 8,27")
 - Automatic De-skewing and multi-Cropping
 - Automatic edge filling of damaged document

Quick reference guide

Product name	IRIScan™ Desk 6
SKU	462005
EAN code	5420079900967
UPC-A code	765010767946
Custom code	847190

Box Information

Box Size: (H x L x D) 13 x 38 x 15 cm / 5.1 x 14.96 x 5.9 in.

Box Weight: around 1,37 kg / 3.02 lbs

Box languages: Arabic, Dutch, English, French, German, Italian, Portuguese, Simplified Chinese, Spanish

Box content: Camera: Scanner, USB Cable, Scan Pad, Getting Started Guide

Scanner specifications

Scanning technology: 8.0-Megapixel CMOS Sensor – 12 MP extrapolated

Max resolution: 3264 x 2448 pixels

Max document size: 297 x 210 mm (A4) or 10.98 x 8.5 in (letter size)

Scanning speed: Less than 1 sec scan per A4/letter size in color mode

Lens fixed focus

Video Record Resolution: 2048 x 1536 (3 MP) / 1920 x 1080 (Full HD 1080) / 1600 x 1200 (UXGA) / 1280x960 (960P)

Built-in LED Lights 4 pcs

Output resolution 300 DPI

Output level Color / Black & White / Grayscale

Interface/drivers USB 2.0 Type B x 1 (For PC Connection)

USB 2.0 Type-A x 1 (For USB Extension)

Power supply 5V by USB powered

Output formats Document: JPG, PDF (Image), PDF (Searchable), PDF (Text), Word, Txt, Excel, EPUB (E-book), MP3, WAV.

Dimensions (H x L x D) Folded size: 321 x 120 x 90 mm / 12.6 x 4.72 x 3.54 In.

Working size (H x L x D): 321 x 120 x 238 mm / 12.6 x 4.72 x 9.37 In.

Weight 1,05 kg / 2.31 lbs

Daily scanning volume: up to 5000 pages

Minimum requirements

- Windows® 10 with Intel i3 or higher
- Mac® OS 10.9 and above with Intel chip or M1 chip
- Graphical Card: Intel® Standard Graphics or higher Graphics cards with 2 GB VRAM
- Ram memory: 4 GB
- Hard disk space: 2 GB
- One USB 2.0 or above
