# SumUp Solo and printer

The all-in-one solution to  
accept cashless payments  
and print receipts.

## Fully portable

Take payments wherever you are, thanks to unlimited mobile data and Wi-Fi connectivity.

Perfect for the countertop or on the go.

## Truly smart

View your sales history, earn tips and give refunds all from one device.

Help to grow your business with free data analytics and reports.

## Long battery life

Print more than 800 receipts on a single charge.

Further extend the battery life of your card reader by using the printer as a power bank.
