Installation

Note: Please use E969524 – USB-C Cable Kit for optimal monitor performance.

Remove the display bracket cover.

Remove the stand cover.

Add the display bracket to the stand using (3) screws from bag A.

Attach a monitor to the display bracket using (4) screws from bag B. Plug in the USB-C cable and route through the stand.

Plug in the other end of the USB-C cable to the base and secure with the supplied cable clamp and screw from bag C.

Secure the display bracket cover.
