

USB-C Adapter HDMI 4K 30Hz USB-A PD 100W Multiport 0.15m USB-C HDMI + USB

Data sheet

Product description

Prokord USB-C Adapter HDMI 4K 30Hz USB-A PD 100W Multiport

Prokord USB-C Adapter Premium HDMI 4K is a compact and powerful multi-adapter that makes it easy to connect your laptop, tablet or smartphone to several devices at the same time. With support for 4K resolution, fast data transfers and pass-through charging, it is a perfect tool for both work and entertainment.

Everything you need in one adapter

The adapter combines several ports in a convenient format, HDMI for an external display, USB-A for accessories and USB-C for both data and charging. Perfect if you want to maximise the functionality of your USB-C device.

Sharp 4K image

Connect to an external display via HDMI and get up to 4K resolution (3840x2160 @30Hz). Ideal for presentations, video streaming or extending your workspace with extra screens.

Fast data and convenient charging

The USB-A port offers data transfer of up to 5 Gbps, while the USB-C port supports Power Delivery up to 100W, so you can charge your device while using the adapter.

Designed for flexibility

With support for DP Alt Mode and Thunderbolt compatible devices, the adapter works with a wide range of laptops, smartphones and tablets. The compact design and short cable (0.15 m) make it easy to bring along wherever you go.

Key features

- Multi-adapter, HDMI, USB-A and USB-C
- 4K video via HDMI (3840x2160 @30Hz)
- USB 3.0 with up to 5 Gbps data transfer
- USB-C Power Delivery up to 100W
- Support for mirrored and extended display mode
- Compact design with 0.15 m cable
- Compatible with USB-C and Thunderbolt devices

Summary

A versatile and reliable adapter that gives you video, data and charging in a single convenient accessory, perfect for modern, mobile work life.
