Product description

Cirafon Wireless Charger Qi2 3-in-1 Travel Charger

A convenient 3-in-1 charger for travel and everyday use

Cirafon Wireless Charger Qi2 3-in-1 Travel Charger is a compact and foldable charging solution that makes it easy to charge multiple Apple devices at the same time. With support for Qi2 and magnetic charging, it is optimized for iPhone, Apple Watch and AirPods, making it perfect for both your desk and when you travel.

The smart, foldable design makes the charger easy to pack, while it can quickly be unfolded into a stable charging stand. The aluminium construction provides a premium feel and good durability, while the magnetic attachment keeps the phone securely in place while charging.

Charge three devices at the same time

- Wireless Qi2 charging for iPhone with up to 15 W
- Dedicated charging area for AirPods (5 W)
- Integrated charger for Apple Watch (3 W)
- Magnetic positioning for correct and efficient charging

All charging is done via a single USB-C connection, which makes installation easy and minimizes cable clutter.

Designed to go with you

Cirafon Qi2 3-in-1 Travel Charger is developed for mobile use. The compact size when folded makes it ideal to carry in your bag, while the unfolded design works just as well as a charging station on your bedside table or at your workstation.

The discreet LED indicator shows charging status without disturbing you, and built-in protection against overheating, overvoltage and foreign objects contributes to safe everyday use.

Short summary

- Wireless Qi2 charger with magnetic attachment
- Charges iPhone, Apple Watch and AirPods at the same time
- Up to 15 W wireless charging for your phone
- Foldable and compact design for travel
- USB-C connection and premium aluminium construction
