

Power Socket 6Xsocket 3m White On/Off

Data sheet

Summary

- ✓ Six Type F outlets, suitable for powering monitors, printers, routers and chargers from one strip.
- ✓ 3 m cable lets you position the strip away from the wall socket for cleaner desk layouts.
- ✓ Integrated on/off rocker switch provides a single control to shut down all connected devices.
- ✓ Angled Type F plug reduces stress on the wall socket and saves space behind furniture.
- ✓ Intended for indoor use only, check compatibility if you use non-Type F plugs.

Product description

Why choose this power strip?

Prokord Power Socket 6Xsocket 3m White On/Off gives you six Type F outlets and a 3 m cable for flexible placement, so you can power multiple devices from a single wall point. The built-in on/off switch makes it easy to cut power to all connected equipment for energy savings and safety. The angled plug helps it fit neatly behind desks and cabinets.

Power Socket 6Xsocket 3m White On/Off in short:

- Six Type F outlets, suitable for powering monitors, printers, routers and chargers from one strip.
- 3 m cable lets you position the strip away from the wall socket for cleaner desk layouts.
- Integrated on/off rocker switch provides a single control to shut down all connected devices.
- Angled Type F plug reduces stress on the wall socket and saves space behind furniture.
- Intended for indoor use only, check compatibility if you use non-Type F plugs.

Practical power for your workspace

Prokord Power Socket 6Xsocket 3m White On/Off expands one wall outlet into six accessible sockets, making it easier to organize workstations, meeting rooms and AV setups. The white housing blends into office interiors, and the long cable gives you more options for placement without extra extension cords.

Control and safety

The red on/off switch lets you quickly disconnect power to all devices, reducing standby consumption and simplifying shutdown at the end of the day. The angled plug helps keep connections flush with the wall, and the unit is designed for indoor placement to match typical office and IT environments.
