Product description

Product overview

Maximize your efficiency with Gilford's high performance shipping labels STE DT, a premium thermal media solution designed to keep your business running smoothly. These fanfold labels ensure steady delivery, so your business or home office is always prepared for mailing tasks.

Compatibility and specifications

Gilfords TR014T model is designed to work seamlessly with thermal printers. The labels have a 105x251mm format and are compatible with a wide range of devices, providing a versatile option for different printing needs. One pack contains 2000 durable labels, each with a handy receipt, improving the accuracy of accounting.

Exceptional print quality

With Gilfords shipping labels, you can expect nothing less than crisp, legible printing for all your shipping needs. The thermal technology used in these labels ensures that each self-adhesive label is printed with high contrast and smear-free quality, maintaining the professional image of your packages.

Easy to use and reliable

Efficiency meets reliability with Gilfords shipping labels, designed for ease of use and consistent performance. The self-adhesive backing is strong and durable, ensuring your labels stay securely in place, while the perforated receipt makes it easy and tidy to keep organized.

Environmentally friendly and cost-effective

Invest in an environmentally conscious choice that doesn't compromise on quality. Gilfords shipping labels are made with sustainable practices in mind, giving you a cost-effective option that contributes positively to your fiscal and ecological goals.
