Product description

Shipping Labels STE DT 105x251mm C76 - 6-Pack from Gilford

Ensure your shipments arrive safely and professionally with Gilford's high-quality shipping labels. These 105x251mm labels are designed for clarity and durability, making them perfect for efficient handling in any postal environment. Sold in convenient 6-packs, they are an ideal choice for both businesses and home offices.

Clear and Crisp Printing Surface

STE DT labels feature a surface that allows for crisp, clear printing. This ensures that text and barcodes are easy to read and scan without the risk of smearing. Compatible with most thermal printers, these labels help streamline your shipping processes.

Strong Adhesion

With a strong adhesive, Gilford's shipping labels adhere securely to various packaging types. Whether on a cardboard box, plastic bag, or envelope, these labels stay firmly in place to ensure vital information remains visible during transportation.

Environmentally Friendly Packaging

Gilford has packaged these labels in recyclable materials, supporting sustainability efforts and reducing climate impact. With these labels, you can ship your packages with an environmentally friendly mindset.

Ideal for High-Volume Needs

For businesses handling frequent shipments, the 6-pack provides an ample supply of labels to meet daily shipping demands. With this stock, you won't need to worry about running out unexpectedly.

Easy to Use

Gilford's shipping labels are designed for easy application. Each label is cut for effortless peeling from the backing and quick attachment to your package, saving time and making the packing process more efficient.
