## High-Quality Shipping Labels by Gilford

Ensure your packages are properly addressed with Gilford's Shipping Labels STE DT 105x220mm. Designed for fanfold DHL usage, these labels come in a bulk pack of 2000 pieces, perfect for both high-volume business needs and home office organization.

## Thermal Printing Media

Optimized for thermal technology, these labels guarantee a crisp and clear print that's smudge-proof and highly adhesive. Ideal for reliably labeling your shipments, ensuring they withstand the rigors of transit.

## Compatibility and Performance

Compatible with a broad range of thermal printers, the TR007T model labels are crafted for seamless performance. Their fanfold design ensures smooth feeding into the printer, preventing jams and disruptions in your workflow.

## Sustainably Sourced

Committed to environmental responsibility, Gilford produces these shipping labels from sustainably sourced materials, aligning your shipping processes with eco-friendly practices.

## Bulk Buying Efficiency

Purchasing the Gilford TR007T Shipping Labels in a 2000-piece pack not only fulfills your labeling needs but also provides cost efficiency, making it an intelligent choice for savvy consumers and conscientious businesses alike.
