Product description

Gilford Waybills

Ensure your parcels are clearly labeled with Gilford shipping labels. These 105x251 mm fanfold labels are designed for superior readability and durable adhesion. They come in a pack of 2000 labels, making them an excellent choice for both large companies and home delivery organization.

High-Quality Labels for Professional Needs

Gilford has always been synonymous with quality, and these shipping labels are no exception. They are built to withstand the rigors of transportation, maintaining their functionality from dispatch to delivery. This ensures peace of mind and security for both businesses and consumers.

Efficient and Easy to Use

With their foldable format, the labels are both easy to handle and convenient to store. Compatible with standard label printers, they streamline your shipping preparations. This saves time and increases productivity in your workflow.

Versatile for Different Needs

The 105x251 mm labels are suitable for a wide range of package sizes, from small shipments to larger boxes. Their professional appearance and reliable adhesion ensure that your packages are always presented in the best way.

Convenient Bulk Packaging

The labels come in packs of 2000, perfect for those handling large volumes of shipments. Bulk packaging eliminates the need for frequent reordering, ensuring you always have enough labels on hand.
