Product description

Why choose this power socket?

Prokord Power Socket 3Xsocket 1.5m Black gives you three grounded Type F outlets from a single angled plug, making it easier to power multiple devices at a desk or media cabinet. The 1.5 m cable and compact black housing reduce clutter and simplify placement, while the angled plug helps fit the unit behind furniture or equipment.

Power Socket 3Xsocket 1.5m Black in short:

- Three Type F AC outlets for powering monitors, printers, routers, and other office equipment.
- 1.5 m cable for flexible placement without needing an additional extension.
- Angled Type F (CEE 7/4) plug reduces strain and makes it easier to use wall sockets behind furniture.
- Black, compact design blends into office and AV setups.
- Note the unit is intended for indoor use, so check compatibility with your local Type F sockets and avoid outdoor installation.

Practical use

The Prokord Power Socket 3Xsocket 1.5m Black expands a single wall outlet into three usable sockets, letting you centralize power for workstations, home offices, or AV racks. The black finish keeps the unit unobtrusive in most environments. The angled plug and 1.5 m cable make it simple to position the socket where you need it without stretching cords across the floor.

Installation and safety

This product uses a Type F (CEE 7/4) grounded plug and is designed for indoor placement. Connect the unit directly to a compatible outlet and distribute load across the three sockets to avoid overloading. Supplied as a single unit, it is a straightforward solution for adding grounded AC outlets where you need them.
