

Power Socket 3Xsocket 1.5m White

Data sheet

Summary

- ✓ Three grounded Type F outlets, suitable for monitors, routers, printers, and peripherals
- ✓ 1.5 m cable provides flexible placement behind desks or equipment racks
- ✓ Angled Type F plug and compact white design keep the strip close to walls and out of the way
- ✓ Intended for indoor use, useful in offices, server rooms, and AV cabinets
- ✓ Consideration: not designed for outdoor or heavy industrial environments

Product description

Why choose this power socket?

Power Socket 3Xsocket 1.5m White Prokord gives you three grounded Type F outlets in a compact, white housing with a 1.5 m cable and an angled plug. It provides a tidy, reliable way to add power points for desks, AV equipment, or temporary workspaces, while the angled plug helps the strip sit close to walls and furniture for neater cable routing.

Power Socket 3Xsocket 1.5m White in short:

- Three grounded Type F outlets, suitable for monitors, routers, printers, and peripherals
- 1.5 m cable provides flexible placement behind desks or equipment racks
- Angled Type F plug and compact white design keep the strip close to walls and out of the way
- Intended for indoor use, useful in offices, server rooms, and AV cabinets
- Consideration: not designed for outdoor or heavy industrial environments

Product details

The Power Socket 3Xsocket 1.5m White is a simple, practical power strip that extends a single wall socket into three grounded outlets. The angled Type F plug helps you place the strip close to walls and furniture, reducing strain on the cable and saving space. With a 1.5 m lead and a compact white housing, you can set up a tidy power point for workstations, network equipment, or audiovisual setups while keeping installation straightforward.
