

Power Socket 3Xsocket 1.5m White On/Off

Data sheet

Summary

- ✓ Three grounded Type F AC outlets, suitable for typical office equipment like monitors, printers, and chargers.
- ✓ 1.5 m cable with an angled Type F (CEE 7/4) plug, designed to sit flush behind furniture.
- ✓ Built-in on/off rocker switch for quick control of all connected devices and reduced standby consumption.
- ✓ White, low-profile housing that fits indoor office and meeting-room environments.
- ✓ Note: intended for indoor use and Type F mains systems, check compatibility with local sockets before purchase.

Product description

Why choose this power strip?

Prokord Power Socket 3Xsocket 1.5m White On/Off gives you three grounded Type F outlets on a compact 1.5 m cable with an angled plug for neat placement behind desks. The integrated on/off switch makes it easy to cut power to multiple devices at once, saving energy and simplifying daily shutdowns.

Power Socket 3Xsocket 1.5m White On/Off in short:

- Three grounded Type F AC outlets, suitable for typical office equipment like monitors, printers, and chargers.
- 1.5 m cable with an angled Type F (CEE 7/4) plug, designed to sit flush behind furniture.
- Built-in on/off rocker switch for quick control of all connected devices and reduced standby consumption.
- White, low-profile housing that fits indoor office and meeting-room environments.
- Note: intended for indoor use and Type F mains systems, check compatibility with local sockets before purchase.

Practical features

The strip places three sockets in a vertical layout for easy access to each outlet. The angled plug reduces strain and helps keep the cable close to walls, while the visible rocker switch gives you an immediate on/off status. It is a simple, space-conscious power solution for indoor workstations and communal areas.
