

# Power Socket 6Xsocket 3m Black

## Data sheet

### Summary

- ✓ Six Type F AC outlets for consolidating multiple devices in one location.
- ✓ 3 m cable lets you position the strip away from the wall outlet for better accessibility.
- ✓ Angled Type F plug fits low-profile or recessed sockets and keeps the cable close to furniture.
- ✓ Black finish blends with typical office and IT environments.
- ✓ Designed for indoor use only, so plan for protected placement if you need outdoor power.

# Product description

## Why choose this power strip?

Prokord Power Socket 6Xsocket 3m Black gives you a simple, reliable way to power multiple devices from a single wall outlet. It helps reduce cable clutter and keeps workstations, printers, and network gear consolidated. The 3 m cable and angled Type F plug make placement flexible, while the six outlets support small office or meeting-room setups with ease.

## Power Socket 6Xsocket 3m Black in short:

- Six Type F AC outlets for consolidating multiple devices in one location.
- 3 m cable lets you position the strip away from the wall outlet for better accessibility.
- Angled Type F plug fits low-profile or recessed sockets and keeps the cable close to furniture.
- Black finish blends with typical office and IT environments.
- Designed for indoor use only, so plan for protected placement if you need outdoor power.

## What it does

The Prokord Power Socket 6Xsocket 3m Black distributes mains power to up to six devices. It is suited for powering desktop PCs, monitors, network switches, printers, and AV equipment where several outlets are needed close together. The recessed sockets help maintain a neat installation and reduce accidental unplugging.

## Installation and placement

With its 3 m cable and angled Type F (CEE 7/4) plug, the product gives flexibility when routing cord lines behind desks or in racks. The angled plug also helps when space behind the outlet is limited. Remember that this unit is intended for indoor placement only.
