Product details

Cirafon PU Leather Covermate Plus iPad Air 2 2016 is a flip case that protects your tablet while keeping it accessible for daily tasks. The magnetic closure works with the auto wake/sleep feature so your screen wakes when you open the cover and sleeps when you close it, helping to preserve battery life. The front cover folds into a stable stand for media playback or comfortable typing. The faux leather finish provides a neat, professional appearance and resists surface scratches for practical office and field use.
