

Audio Y-Adapter 3.5mm Stereo - 2X3.5mm Stereo 0.5m0.5m 3.5mm 2 x 3.5mm

Data sheet

Summary

- ✓ Splits one 3.5 mm stereo output into two identical stereo outputs for two headsets or speaker pairs.
- ✓ Gold-plated connector contacts for stable signal transfer and resistance to corrosion.
- ✓ Straight male and female plugs give a low-profile fit with most devices.
- ✓ Black finish blends into office and AV environments.
- ✓ Note that the 0.5 m cable is best for close connections; choose a longer cable if you need more distance.

Product description

Why choose this audio Y-adapter?

Prokord Audio Y-Adapter 3.5mm Stereo - 2X3.5mm Stereo 0.5m offers a simple way to share a single headphone or line-out with two devices. It provides reliable connections with gold-plated contacts and a compact 0.5 m cable, making it useful for short-range desktop setups where space and neat cabling matter.

Audio Y-Adapter 3.5mm Stereo - 2X3.5mm Stereo 0.5m in short:

- Splits one 3.5 mm stereo output into two identical stereo outputs for two headsets or speaker pairs.
- Gold-plated connector contacts for stable signal transfer and resistance to corrosion.
- Straight male and female plugs give a low-profile fit with most devices.
- Black finish blends into office and AV environments.
- Note that the 0.5 m cable is best for close connections; choose a longer cable if you need more distance.

Practical use and compatibility

This Prokord adapter connects a device with a 3.5 mm stereo jack to two 3.5 mm stereo headphones or speakers, so two users can listen to the same audio source at once. The straight male plug and two straight female sockets make it easy to plug into laptops, monitors, media players, and other equipment with a standard 3.5 mm output. Gold-plated contacts improve longevity and signal reliability in everyday use. Remember that the adapter duplicates a single output and does not mix separate audio sources.

Technical Specification Matrix
