- ✓ 1m length gives tidy desktop reach without excess cable
- ✓ Gold-plated contacts resist corrosion and maintain clear signal
- ✓ Straight plugs and slim black jacket sit neatly in most ports

Product description

Why choose this audio cable?

Prokord Audio 3.5mm Male - 3.5mm Male 1.0m gives you a reliable, everyday analogue connection for phones, laptops, car stereos and speakers. The 1 m length and gold-plated straight connectors make it easy to set up and keep a consistent audio signal, reducing contact corrosion and background noise over time.

Audio 3.5mm Male - 3.5mm Male 1.0m in short:

- 1 m length, convenient for desk, portable and in-car use.
- Gold-plated 3.5 mm male connectors for stable contact and improved corrosion resistance.
- Straight connector form factor fits tight or recessed ports.
- Black finish for a discreet look in installations and on the move.
- Check device compatibility if you need microphone or remote control functions.

About this cable

This Prokord cable provides a straightforward way to carry stereo analogue audio between devices with 3.5 mm jacks. The gold-plated contacts help maintain a clear connection in everyday environments. Use it to link smartphones, tablets, laptops, car audio systems, portable speakers and recording equipment. The cable is designed for audio signals only, not for charging or digital data transfer.
