Summary

- ✓ 1m length gives flexible reach for desktop and portable setups
- ✓ Gold-plated contacts ensure reliable analog audio transfer
- ✓ Straight 3.5mm male plugs fit standard headphone and aux ports
- ✓ White jacket blends with office gear for clean, professional installs

Product description

Why choose this audio cable?

Prokord Audio 3.5mm Male - 3.5mm Male 1.0m White gives you a simple, reliable way to link phones, laptops and speakers. It keeps cable runs tidy with a 1 m length, and gold-plated contacts reduce corrosion for consistent audio. The straight metal-sleeved plugs fit most jacks and the white finish blends into light-coloured setups.

Audio 3.5mm Male - 3.5mm Male 1.0m White in short:

- 1 m male-to-male 3.5 mm cable for connecting smartphones, tablets, laptops, car aux and portable speakers
- Gold-plated contacts for stable signal and improved resistance to corrosion
- Straight, metal-sleeved plugs with visible strain relief for frequent use
- White cable for a discreet appearance in light-colour environments
- Consideration: 1 m length is ideal for close connections but may be short for distant devices

Product details

This Prokord cable carries standard analog stereo audio between any two devices with 3.5 mm jacks. The gold-plated contacts help preserve signal quality over time and against oxidation. Straight plugs with compact metal housings allow easy insertion in crowded panels and portable equipment. The 1 m length is convenient for desktop and in-car connections, keeping installations neat while remaining easy to route.
