

Prokord AUDIO-0018

Data sheet

Core Specs

Cable length	5 m
Connector 1	3.5mm
Connector 2	2 x RCA
Product colour	Black

Summary

- ✓ 5m cable length allows flexible placement between devices
- ✓ Gold-plated contacts resist corrosion, maintain clear audio
- ✓ 3.5mm to dual RCA connects laptops and phones to stereo gear
- ✓ Straight plugs fit front panels and tight input spaces easily
- ✓ Neutral black jacket blends into office and AV installations

Product description

Why choose this audio cable?

Audio 3.5mm Male - 2xRCA Male 5.0m Prokord is a 5 metre audio cable that simplifies connecting devices with a 3.5mm output to equipment with RCA inputs. You get flexible placement for source and playback devices, durable gold-plated contacts for reliable signal transfer, and a discreet black finish that suits home and office setups.

Audio 3.5mm Male - 2xRCA Male 5.0m in short:

- Connects smartphones, laptops, and tablets with a 3.5mm output to stereo RCA inputs on receivers, TVs, and powered speakers.
- 5 m length provides room to position equipment without awkward proximity.
- Gold-plated contacts reduce corrosion and help maintain a stable connection.
- Straight 3.5mm and RCA plugs fit common jacks and allow neat, low-profile connections.
- Note: Intended for analog stereo connections only, not for balanced or digital audio.

Product details

This Prokord cable is built for everyday AV tasks like playing audio from portable devices to a sound system or linking a TV to external speakers. The black jacket keeps cable runs unobtrusive and the straightforward connectors make setup quick. If you need a simple, reliable analog stereo link with extra reach, this cable handles typical home and meeting-room use.
