Summary

- ✓ Reliable 5m length links audio sources at a safe distance
- ✓ 3.5mm to dual RCA connection for quick audio linking
- ✓ Gold-plated contacts reduce signal loss and resist corrosion
- ✓ White jacket and straight plugs fit clean, professional installations

Product description

Why choose this audio cable?

Prokord Audio 3.5mm Male - 2xRCA Male 5.0m White gives you a straightforward way to connect phones, laptops or portable players to amplifiers, TVs and receivers with reliable analogue audio. The 5 m length lets you place equipment where it works best. Gold-plated contacts improve contact reliability, and the straight plugs make routing and installation simple.

Audio 3.5mm Male - 2xRCA Male 5.0m White in short:

- Connects a 3.5 mm stereo output to two RCA inputs for left and right channels.
- 5 m length for flexible placement of source and audio equipment.
- Gold-plated contacts reduce corrosion and improve signal contact.
- Straight metal-housed plugs for durable, easy insertion.
- Check that your source provides an analogue 3.5 mm output, as this cable carries stereo analogue audio.

Product details

Prokord Audio 3.5mm Male - 2xRCA Male 5.0m White is ideal when you need a simple, reliable link between portable devices and home or professional audio equipment. The white cable and silver metal housings blend with light-coloured setups and make placement less obtrusive. Use it for playback, basic mixing or routing audio to external speakers and legacy AV equipment.
