

Car Charger 1Amp 2xUSB Black Boost Charger BlackBlack

Data sheet

Summary

- ✓ Dual USB-A ports let you charge two devices simultaneously, ideal for smartphones and accessories.
- ✓ Plugs into the vehicle cigar lighter, so it works with standard car power outlets.
- ✓ Delivers up to 2.4A total and 12W maximum power, suitable for everyday charging needs.
- ✓ Compact black design fits most dashboards and storage compartments.
- ✓ Consider that total output is shared between both ports, so charging speed depends on connected devices.

Product description

Why choose this car charger?

Cirafon Car Charger 1Amp 2xUSB Black Boost Charger Black offers a compact and reliable way to keep devices charged on the road. It plugs into your vehicle cigar lighter and lets you power two USB devices at once, reducing downtime for phones, GPS units, and small tablets while keeping cables tidy and installation simple.

Car Charger 1Amp 2xUSB Black Boost Charger Black in short:

- Dual USB-A ports let you charge two devices simultaneously, ideal for smartphones and accessories.
- Plugs into the vehicle cigar lighter, so it works with standard car power outlets.
- Delivers up to 2.4A total and 12W maximum power, suitable for everyday charging needs.
- Compact black design fits most dashboards and storage compartments.
- Consider that total output is shared between both ports, so charging speed depends on connected devices.

How it works

Plug the charger into your car’s cigar lighter and connect devices with standard USB cables. The charger supplies power from the vehicle to your devices with universal compatibility, so you can charge phones, navigation devices, and other USB-powered accessories while driving. The simple design makes it easy to move between vehicles or stow when not in use.
