Product description

Why choose this car charger?

Cirafon Car Charger 2.4Amp 2xUSB Black Boost Charger White provides reliable in-car power so your devices stay charged during commutes and trips. It supplies up to 2.4A through two USB 2.0 ports, fits standard cigar lighter sockets, and has a compact white design that blends with most interiors for practical, hassle-free charging on the road.

Cirafon Car Charger 2.4Amp 2xUSB Black Boost Charger White in short:

- Two USB 2.0 ports let you charge a phone and a tablet, or two phones, at the same time.
- Delivers up to 2.4A combined output for steady charging of smartphones and small tablets.
- Plugs into a cigar lighter socket for simple, plug-and-play operation in most vehicles.
- Compact white casing is easy to store and unobtrusive in the cabin.
- Not suitable for vehicles without a cigar lighter socket; check your vehicle before purchase.

Cirafon Car Charger 2.4Amp 2xUSB Black Boost Charger White

This car charger connects directly to the vehicle’s cigar lighter to provide power where you need it. The two USB 2.0 ports make it easy to keep multiple devices topped up without swapping adapters. Its universal compatibility supports a wide range of smartphones, tablets, and USB-powered accessories, and the straightforward plug-and-play design requires no setup.
