

CiraFon DMA-026

Data sheet

Core Specs

Cable length	1 m
Connector 1	Micro USB-A
Connector 2	USB-A
Product colour	Blue
USB version	USB 2.0

Summary

- ✓ 1m cable keeps workstations tidy and reaches nearby devices
- ✓ Micro USB to USB-A connection lets you sync and charge older devices
- ✓ USB 2.0 delivers dependable data transfers and steady charging
- ✓ Plug and play, straight male connectors for quick, driver-free setup

Product description

Why choose this cable?

Cirafon Sync/Charge Cable Micro USB 1m - Blue provides a practical, low-cost way to charge and sync devices with Micro USB ports. The 1 metre length gives convenient reach without excess cable. A braided sheath improves durability and reduces tangling, and plug-and-play USB 2.0 compatibility keeps setup simple for everyday desk, car, and travel use.

Sync/Charge Cable Micro USB 1m - Blue in short:

- Charge and sync smartphones, tablets, and accessories that use a Micro USB connection to a standard USB-A port.
- 1 metre length suits desk use, car charging, and portable kits without excess cable on the floor.
- Braided, chevron-pattern sheath resists tangling and stands up to repeated handling.
- Plug-and-play USB 2.0 compatibility for straightforward charging and data transfer, note that USB 2.0 has lower transfer rates than newer USB standards.
- Supplied as a single cable per pack, useful for replacements or adding spares to IT kits.

Practical details

The Cirafon Sync/Charge Cable Micro USB 1m - Blue has straight male connectors on both ends for reliable mating with standard ports. You can use it with chargers, laptops, and in-vehicle USB ports without additional setup. The visible blue finish makes it easy to identify among other cables, and the construction focuses on everyday reliability for recurring charging and device maintenance tasks.
