- ✓ Braided jacket and metal connector housings resist wear and tangles
- ✓ Straight USB-A to Micro USB plugs make connections easy
- ✓ Bright orange finish helps you spot the cable in busy setups

Product description

Why choose this USB cable?

Sync/Charge Cable Micro USB 2m - Orange Cirafon is a 2 m USB 2.0 cable designed to give you reach and visibility when charging or syncing devices. The bright orange connector housings and braided jacket reduce tangles and make the cable easy to spot, while straight male USB-A to Micro USB-B ends fit standard ports for everyday use.

Sync/Charge Cable Micro USB 2m - Orange in short:

- 2 m length provides flexible reach between wall chargers, cars, and workspaces.
- USB-A to Micro USB-B straight male connectors, compatible with many older phones, cameras, speakers, and power banks.
- USB 2.0 support for charging and data sync at standard transfer speeds.
- Braided orange cable with contrasting accents and metal connector housings for improved durability and easy identification.
- Note: this is a Micro USB-B cable, so check device compatibility if you need USB-C.

Product details

The cable delivers straightforward sync and charge functionality over USB 2.0, so you can move files and top up battery power without extra setup. The braided jacket resists wear and tangling, keeping the cable tidy in daily use. Straight male USB-A and Micro USB-B ends make connections simple and predictable, and the coloured connector housings help you quickly find the cable among others.
