

Prokord DP2HDMI2MM-3m-B

Data sheet

Core Specs

Cable length	3 m
Connector 1	DisplayPort
Connector 2	HDMI
Product colour	Black
HDMI version	1.4
DisplayPort version	1.2

Summary

- ✓ Converts DisplayPort to HDMI for easy connection to HDMI displays
- ✓ Supports up to 4Kx2K at 30Hz for clear presentations and video
- ✓ HDCP support ensures playback of protected content
- ✓ Gold plated contacts and tinned copper conductors improve signal
- ✓ Aluminium foil with braid shielding and PVC jacket reduce noise

Product description

Why choose this DisplayPort to HDMI cable?

Prokord Displayport to HDMI 3m Black - Gold plated gives you a simple, reliable way to connect a DisplayPort-equipped laptop or desktop to an HDMI monitor, TV, or projector. The 3 m length and robust shielding help keep setups tidy while maintaining signal integrity. It balances compatibility and cost for meeting rooms, home media setups, and workstation displays.

Displayport to HDMI 3m Black - Gold plated in short:

- Converts a DisplayPort output to an HDMI input, suitable for connecting laptops and PCs to monitors, TVs, and projectors.
- Supports up to 4Kx2K resolution at 30 Hz with 12-bit colour depth, useful for presentations and video playback.
- Gold-plated contacts and aluminium foil plus braid shielding improve connection reliability and resist corrosion.
- 3 m PVC-jacketed cable with tinned copper conductors and straight male connectors for flexible placement.
- Note: does not support HDR and maximum 4K refresh rate is 30 Hz; choose a different solution if you need 4K at 60 Hz or HDR.

Product details

The cable uses DisplayPort 1.2 with HBR2 to deliver audio and video to an HDMI 1.4 display and is HDCP compliant for protected content. Gold-plated connector contacts and a shielded construction reduce signal loss and interference in everyday environments. With a 7.3 mm diameter and 28 AWG conductors, the cable balances flexibility and durability for desk-to-display routing. This is a unidirectional solution from a DisplayPort source to an HDMI sink.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	3 m
Connector 1	DisplayPort
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	HDMI
Connector 2 gender	Male
Connector 2 form factor	Straight
Product colour	Black

HDMI version	1.4
DisplayPort version	1.2
Connector contacts plating	Gold plated
HDCP	Yes
Refresh rate at maximum resolution	30 Hz
Colour depth	12 bit
Maximum resolution	4Kx2K pixels
High Dynamic Range (HDR) supported	No
HBR2 support	Yes
Maximum refresh rate	30 Hz
Cable material	Tinned copper
Cable shielding	Aluminium foil + braid
Jacket material	PVC
AWG wire size	28AWG
Data transfer rate	3 Gbit/s

Weight & dimensions

Cable diameter	7.3 mm
Weight	213 g

Logistics data

Harmonized System (HS) code	84733080
