

Prokord DPC-0006

Data sheet

Core Specs

Cable length	1 m
Connector 1	CEE7/7
Connector 2	C5
Product colour	Black

Summary

- ✓ Angled mains plug saves space behind desks and wall sockets
- ✓ C5 connector fits common laptop inlets for broad compatibility
- ✓ 1m length keeps the cable tidy without excess slack
- ✓ Straight device plug reduces strain on the laptop inlet
- ✓ Black jacket blends with office gear, helps hide wear

Product description

Why choose this power cable?

Prokord Cable Power 3-Pin - Laptop Angled 1.0m provides a compact, dependable connection between European grounded mains and laptops or power bricks with a C5 inlet. The angled mains plug minimises strain and helps fit sockets behind furniture. One-metre length keeps your workspace tidy while allowing enough reach for typical desk setups.

Cable Power 3-Pin - Laptop Angled 1.0m in short:

- Angled CEE7/7 mains plug, designed to save space behind desks and cabinets.
- Straight C5 connector, compatible with laptops and adapters that use a three-pin C5 inlet.
- 1 m length, suitable for short cable runs and tidy desktop installations.
- Black finish for a discreet, uniform appearance.
- Check that your device accepts a C5 inlet before purchasing.

Product description

This cable connects a grounded European mains outlet to devices with a C5 power inlet. The angled CEE7/7 plug reduces stress on the wall socket and cable when outlets are close to furniture. The straight C5 end fits securely into laptop power supplies and similar adapters. Use it for office desks, meeting rooms, or mobile workstations where a short, reliable mains lead is needed.
