Product colour	Black

Summary

- ✓ 2m length gives flexible reach for desktops and workstations
- ✓ Straight CEE7/16 plug fits standard EU wall sockets for easy setup
- ✓ Straight C7 female connector secures power to laptops and adapters
- ✓ Black cable reduces clutter and suits office environments

Product description

Why choose this power cable?

Cable Power 2-Pin - Straight 2.0m Black Prokord provides a reliable link between Europlug wall outlets and devices with a figure-8 (C7) inlet. The 2.0 m length gives flexible placement and easier cable routing, while straight, moulded connectors reduce strain and hold up well in daily use.

Cable Power 2-Pin - Straight 2.0m Black in short:

- 2.0 m length for flexible device placement and neater desk or AV setups.
- CEE7/16 male to C7 female, suitable for devices with a figure-8 inlet such as small power bricks, media players and set-top boxes.
- Straight, moulded connectors on both ends for secure connections and reduced wear in tight spaces.
- Black finish that blends with most office and AV equipment.
- Note: this is a 2-pin ungrounded cable and not suitable for equipment that requires an earth connection.

Product details

Cable Power 2-Pin - Straight 2.0m Black Prokord is a straightforward mains lead for powering devices with a C7 inlet. The flexible jacket and robust moulded ends make it easy to route behind furniture and reconnect frequently. Use it when you need a dependable, unobtrusive power connection for small electronics where a grounded plug is not required.
