- ✓ 2m length gives flexible reach for desks, racks and workstations
- ✓ Angled CEE7/7 plug saves space behind furniture and equipment
- ✓ Straight IEC C13 connector fits standard PC, monitor and UPS inlets
- ✓ White finish blends with office kit, keeping setups neat and discreet
- ✓ Made by Prokord, built for reliable connections in professional IT setups

Product description

Why choose this power cord?

Prokord Power Cord PC Power Output 2.0m Angled White provides a reliable mains connection for desktops, monitors and UPS units. Its 2 m length lets you position equipment away from walls, and the angled mains plug reduces strain and fits tight spaces. The white finish keeps installations neat in light-coloured offices and AV setups.

Power Cord PC Power Output 2.0m Angled White in short:

- 2 m length for flexible placement of PCs and peripherals.
- Angled CEE7/7 plug saves space behind desks and reduces cable bend stress.
- C13 connector fits standard PC power inlets for desktops, monitors and UPS devices.
- White colour blends with light interiors and AV equipment.
- Check that the CEE7/7 plug matches your local mains outlet before purchase.

Product details

The Prokord Power Cord PC Power Output 2.0m Angled White connects a CEE7/7 mains plug to a C13 device inlet, making it suitable for everyday workstation and office equipment. The angled plug helps keep equipment flush against walls and furniture while the 2 m reach offers placement flexibility. The white jacket supports a discreet appearance in light-coloured environments and meeting spaces.
