Summary

- ✓ 2m length gives flexible reach for racks and workstations
- ✓ CEE7/7 plug fits Schuko and French sockets for wide mains use
- ✓ IEC C13 connector plugs into standard PC and monitor inlets
- ✓ Straight C13 plug keeps connections tidy in tight spaces
- ✓ White finish blends into modern offices and IT cabinets

Product description

Why choose this power cord?

Prokord Power Cord PC Power Output 2.0m Straight White provides a reliable grounded connection for PCs, monitors and UPS units. The 2 m length gives you flexible placement and reduces the need for extension leads. The straight C13 end fits standard IEC inlets and the CEE7/7 plug ensures a secure earth connection in compatible sockets for safer, uninterrupted power delivery.

Power Cord PC Power Output 2.0m Straight White in short:

- CEE7/7 male to C13 female, suitable for equipment with standard IEC inlets.
- 2 m length for flexible desk, rack and equipment placement.
- Straight C13 connector fits desktops, monitors, UPS units and many servers.
- White colour for a discreet look in light interiors and office environments.
- Check that your local wall outlet accepts the CEE7/7 plug before purchase.

Product details

Power Cord PC Power Output 2.0m Straight White delivers straightforward power to common IT equipment. Molded connectors with strain relief reduce wear at the connection points while the grounded CEE7/7 plug provides earthing for connected devices. The cable is practical for office desks, meeting rooms and rack-mounted equipment where a tidy, light-coloured cable is preferred.
