

Power Cord PC Power Output 2m Straight Black2m CEE7/7 C15

Data sheet

Summary

- ✓ Manufacturer: Prokord, reliable build for everyday IT use.
- ✓ 2 m length, useful when equipment is placed away from the wall outlet.
- ✓ CEE7/7 male plug for common European mains sockets, straight form factor.
- ✓ IEC C15 female connector, straight form factor, fits devices with a C15 inlet.
- ✓ Check that your equipment uses a C15 inlet rather than the more common C13 before purchase.

Product description

Why choose this power cord?

Prokord Power Cord PC Power Output 2m Straight Black. Use this cable to connect equipment with an IEC C15 inlet to European mains sockets. The 2 m length gives room for neat cable routing and placement flexibility. Straight connectors make it suitable for rack-mounted or desktop systems where space and alignment matter.

Power Cord PC Power Output 2m Straight Black in short:

- Manufacturer: Prokord, reliable build for everyday IT use.
- 2 m length, useful when equipment is placed away from the wall outlet.
- CEE7/7 male plug for common European mains sockets, straight form factor.
- IEC C15 female connector, straight form factor, fits devices with a C15 inlet.
- Check that your equipment uses a C15 inlet rather than the more common C13 before purchase.

Product details

The Prokord Power Cord PC Power Output 2m Straight Black provides a straightforward way to power servers, UPS units, power supplies, and other IT devices that accept an IEC C15 plug. The black jacket blends into typical rack and office setups and the straight connectors help keep connections secure in tight spaces. Use this cable where you need a dependable mains connection and a bit of extra reach.
