

Power Cord PC Power Output 2m C19 Black2m CEE7/7 C19 Black

Data sheet

Summary

- ✓ Prokord power cable with CEE7/7 plug to IEC C19 inlet, made for high-power IT equipment.
- ✓ 2 m length for flexible placement between wall outlets, cabinets, and racks.
- ✓ Straight connectors reduce stress at connection points and suit tight spaces.
- ✓ Black colour hides in racks and office environments for a tidy installation.
- ✓ Check that your equipment uses an IEC C19 inlet and that CEE7/7 is compatible with your mains sockets before purchase.

Product description

Why choose this power cord?

Power Cord PC Power Output 2m C19 Black Prokord. This cable gives reliable mains power to equipment with an IEC C19 inlet, such as rack servers, UPS units, and power distribution units. The 2 m length adds installation flexibility, while the black finish and straight connectors make it easy to route and fit into dense cabinet environments.

Power Cord PC Power Output 2m C19 Black in short:

- Prokord power cable with CEE7/7 plug to IEC C19 inlet, made for high-power IT equipment.
- 2 m length for flexible placement between wall outlets, cabinets, and racks.
- Straight connectors reduce stress at connection points and suit tight spaces.
- Black colour hides in racks and office environments for a tidy installation.
- Check that your equipment uses an IEC C19 inlet and that CEE7/7 is compatible with your mains sockets before purchase.

Product details

The Prokord Power Cord PC Power Output 2m C19 Black supplies mains power from a European CEE7/7 socket to devices with an IEC C19 female inlet. It is suitable for servers, PDUs and UPS systems that require a C19 connection. The moulded straight connectors provide a secure fit and help when arranging cables in cabinets. The 2 m length balances reach and manageability, and the black jacket resists visible wear in operational environments.
