

Prokord DPC-0037

Data sheet

Core Specs

Cable length	3 m
Connector 1	CEE7/7
Connector 2	C13
Product colour	White

Summary

- ✓ 3m length gives flexible reach for racks, workstations and cabinets
- ✓ Angled CEE7/7 plug saves space behind desks and wall outlets
- ✓ C13 straight connector fits servers, UPS units and monitors easily
- ✓ White finish blends with office interiors and visible installations

Product description

Why choose this power cord?

Prokord Power Cord PC Power Output 3.0m Angled White. This cord gives a reliable mains connection for PCs, monitors and other IEC C13 devices while keeping installation tidy. The angled male plug saves space behind furniture or equipment racks, and the 3 m length lets you position hardware farther from wall outlets without adapters or extension reels.

Power Cord PC Power Output 3.0m Angeld White in short:

- 3 m length for flexible device placement and easier cable routing.
- Angled CEE7/7 male plug reduces strain and fits tight spaces behind desks and cabinets.
- C13 straight female connector for standard PC power supplies, monitors, UPS units and peripherals.
- White finish helps the cable blend into light-coloured environments and visible installations.
- Check that your wall outlet accepts a CEE7/7 plug before purchase.

Product details

Prokord Power Cord PC Power Output 3.0m Angled White connects European mains outlets to devices with an IEC C13 inlet. It is suitable for desktop PCs, servers in small racks, monitors, printers and UPS systems where a secure, standardised connection is required. The angled male plug keeps the cable close to the wall to reduce bending and wear at the socket.
