

Prokord DPC-0039

Data sheet

Core Specs

Cable length	5 m
Connector 1	CEE7/16
Connector 2	C7
Product colour	White

Summary

- ✓ 5m cable lets you place devices farther from power outlets
- ✓ Straight CEE7/16 to C7 connectors ensure a secure, easy connection
- ✓ White finish blends unobtrusively into office and retail setups
- ✓ Straight male and female ends simplify routing and installation
- ✓ Prokord brand matches standard IT accessories for easy integration

Product description

Why choose this power cable?

Prokord Cable Power 2-Pin - Straight 5.0m White gives you a 5 metre reach to place equipment further from wall sockets, reducing the need for additional extension cords and improving cable routing. Its straight, moulded connectors with strain relief deliver stable connections, and the white finish helps the cable blend into light-coloured environments.

Cable Power 2-Pin - Straight 5.0m White in short:

- 5 m length for flexible device placement and neater installations.
- CEE7/16 (male) to C7 (female) connection, suitable for devices with a figure-8 inlet such as small appliances, audio equipment, and some laptop power supplies.
- Straight, moulded connectors with strain relief for secure, low-profile connections.
- White colour keeps visible runs discreet in office and retail environments.
- Check that your device uses a C7 inlet before ordering to ensure compatibility.

Product details

The Prokord Cable Power 2-Pin - Straight 5.0m White links equipment with a C7 figure-8 inlet to standard European CEE7/16 mains sockets. The straight connector form and integrated strain relief make it easier to route cables close to devices and reduce mechanical stress at the plug. Use it when you need a reliable, longer reach for small electronics without adding bulky adaptors.
