

Prokord DPC-0041

Data sheet

Core Specs

Cable length	5 m
Connector 1	CEE7/7
Connector 2	CEE7/4
Product colour	Black

Summary

- ✓ 5m cable extends reach, reducing need for additional outlets
- ✓ Angled male CEE7/7 fits tight spaces for neater rear equipment routing
- ✓ Straight female CEE7/4 provides a secure, standard Schuko connection
- ✓ Black finish blends with IT racks for a professional, unobtrusive look
- ✓ Durable design simplifies tidy installations, ideal for indoor IT use

Product description

Why choose this power cord extension?

Prokord Power Cord 5m Extension Angeld Schuko Black provides a reliable 5 m extension that keeps power connections tidy and accessible. Its angled male plug lets equipment sit close to walls or rack rails, while the straight female Schuko connector supports standard devices. The black finish blends into professional environments and helps reduce cable clutter during installations.

Prokord Power Cord 5m Extension Angeld Schuko Black in short:

- 5 m length extends reach for server rooms, workstations, and AV setups.
- Angled male CEE7/7 plug reduces strain and saves space behind equipment.
- Straight female CEE7/4 Schuko connector accepts standard device plugs.
- Protective cap on the female end helps keep the socket clean when unused.
- Suited for indoor, controlled environments, not for outdoor or high mechanical stress.

Product details

Designed for IT and AV installations, the Prokord Power Cord 5m Extension Angeld Schuko Black makes it easier to route power where fixed outlets are distant. The angled male connector improves clearance and reduces cable bending behind desks and racks. The straight Schuko socket delivers a secure connection for standard appliances and includes a dust cap for added protection. Use it indoors to simplify wiring and maintain a neater workspace.
