

Power Cord PC Power Output 5.0m Angled Black5m CEE7/7 C13

Data sheet

Summary

- ✓ 5 m length for flexible placement of PCs, monitors and peripherals.
- ✓ Angled CEE7/7 male plug and angled C13 female connector for tight spaces and easier cable routing.
- ✓ Black finish for discreet integration in office and server-room environments.
- ✓ Compatible with European CEE7/7 mains sockets and devices with a C13 inlet.
- ✓ Check that your device has a C13 inlet and that local mains plug type matches CEE7/7 before purchase.

Product description

Why choose this power cord?

Prokord Power Cord PC Power Output 5.0m Angled Black gives you a long, flexible connection from mains to equipment, helping reduce cable clutter and improve access behind desks and cabinets. It is built for reliable everyday use, so you can position PCs, monitors and other C13-fed devices where they work best without stretching to reach an outlet.

Power Cord PC Power Output 5.0m Angled Black in short:

- 5 m length for flexible placement of PCs, monitors and peripherals.
- Angled CEE7/7 male plug and angled C13 female connector for tight spaces and easier cable routing.
- Black finish for discreet integration in office and server-room environments.
- Compatible with European CEE7/7 mains sockets and devices with a C13 inlet.
- Check that your device has a C13 inlet and that local mains plug type matches CEE7/7 before purchase.

Product details

This Prokord power cord supplies mains power to equipment with a C13 inlet. The angled connectors help keep the cable close to the device and reduce stress on sockets when space behind equipment is limited. The 5-metre length lets you reach distant outlets without adding extensions, making it suitable for workstations, office setups and equipment racks.
