- ✓ Supplied as a single unit, ready to use with an HDMI cable or display.
- ✓ Check that your source device provides video over its DisplayPort output before purchase.

Product description

Why choose this adapter?

Prokord Adapter DisplayPort - HDMI 0.2m White provides a compact way to connect a DisplayPort output to an HDMI screen. It reduces cable clutter in small workspaces and meeting rooms while keeping the connection close to the devices. The short white cable is suitable for tidy desk setups and quick connections between laptops or desktops and HDMI monitors or projectors.

Adapter Displayport - HDMI 0.2m White in short:

- Connects a DisplayPort output to an HDMI display using a male DisplayPort to female HDMI connection.
- 0.2 m length keeps cables neat behind monitors and in cramped AV setups.
- White finish blends with light-coloured equipment and office interiors.
- Supplied as a single unit, ready to use with an HDMI cable or display.
- Check that your source device provides video over its DisplayPort output before purchase.

Product details

This Prokord Adapter DisplayPort - HDMI 0.2m White is a straightforward accessory for short-range video connections. The straight male DisplayPort plug fits into a DisplayPort output, while the straight female HDMI socket accepts a standard HDMI cable. The compact cable keeps the connection close to equipment, making it practical for docking stations, desktop PCs, and meeting-room AV installations.
