

Prokord DP-MDP 0044

Data sheet

Core Specs

Cable length	3 m
Connector 1	DisplayPort
Connector 2	Mini DisplayPort
Product colour	White
DisplayPort version	1.2

Summary

- ✓ DisplayPort 1.2 supports 4Kx2K at 60Hz for clear, smooth video
- ✓ MST lets you run multiple displays from one port
- ✓ Gold plated contacts and tinned copper conductors boost signal reliability
- ✓ Aluminium foil and braid shielding reduce interference in busy setups
- ✓ 3m PVC jacketed cable in white gives flexible reach and a clean look

Product description

Why choose this DisplayPort cable?

Prokord Cable DisplayPort - Mini-DisplayPort 3m White gives you a reliable link between mini DisplayPort-equipped devices and DisplayPort monitors. The 3 m length keeps your workspace flexible, while DisplayPort 1.2 compatibility, HDCP and MST support let you run high-resolution screens and multi-monitor setups with consistent signal quality.

Cable Displayport - Mini-Displayport 3m White in short:

- Connect a laptop or docking station with mini DisplayPort to a DisplayPort monitor or projector at up to 4K resolution and 60 Hz refresh rate.
- 3 m length provides room for tidy cable routing in desks, meeting rooms, or AV racks.
- DisplayPort 1.2 with MST and HDCP support enables multi-monitor configurations and protected video playback.
- Gold-plated contacts, tinned copper conductors and aluminium-foil plus braid shielding improve signal stability and resistance to interference.
- Note: HDR is not supported, consider this if you need HDR-capable displays.

How this cable performs

This white cable uses straight male DisplayPort and mini DisplayPort connectors for a simple plug-and-play connection. The PVC jacket and 32 AWG tinned copper wiring keep the cable flexible while the double shielding reduces interference in mixed office and AV environments. The design is suited to desktop workstations, meeting rooms and professional AV setups where a dependable 4K@60Hz link and multi-display capability are required.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	3 m
Connector 1	DisplayPort
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	Mini DisplayPort
Connector 2 gender	Male
Connector 2 form factor	Straight
Product colour	White

Maximum resolution	4Kx2K pixels
Connector contacts plating	Gold plated
DisplayPort version	1.2
Cable material	Tinned copper
Maximum refresh rate	60 Hz
HDCP	Yes
Data transfer rate	5.4 Gbit/s
Cable shielding	Aluminium foil + braid
Jacket material	PVC
AWG wire size	32AWG
High Dynamic Range (HDR) supported	No
Multi-Stream Transport (MST)	Yes

Packaging data

Cable diameter	4.8 mm
Weight	128 g

Logistics data

Harmonized System (HS) code	84733080
