

Cable DVI-D - DVI-D Dual Link 10m Black10m DVI DVI Black

Data sheet

Summary

- ✓ Dual-link DVI-D connection, suitable for high-resolution displays and extended desktop or signage installations.
- ✓ 10 m length with 24 AWG tinned-copper conductors and 11.5 mm diameter, designed for longer cable runs without added boosters.
- ✓ Gold-plated male DVI straight connectors with screw locks and ferrite cores, helping to reduce corrosion and electromagnetic interference.
- ✓ PVC jacket with aluminum-foil and braid shielding protects the signal and the cable in installed environments.
- ✓ Note: DVI-D carries digital video only and does not support analog VGA signals.

Product description

Why choose this cable?

Prokord Cable DVI-D - DVI-D Dual Link 10m Black gives you a dependable digital video link over a 10-meter run. Dual-link support and solid shielding keep high-resolution images stable, while gold-plated contacts and ferrite cores reduce signal loss and interference. The result is a practical, low-maintenance option for longer display runs in professional and AV environments.

Cable DVI-D - DVI-D Dual Link 10m Black in short:

- Dual-link DVI-D connection, suitable for high-resolution displays and extended desktop or signage installations.
- 10 m length with 24 AWG tinned-copper conductors and 11.5 mm diameter, designed for longer cable runs without added boosters.
- Gold-plated male DVI straight connectors with screw locks and ferrite cores, helping to reduce corrosion and electromagnetic interference.
- PVC jacket with aluminum-foil and braid shielding protects the signal and the cable in installed environments.
- Note: DVI-D carries digital video only and does not support analog VGA signals.

Cable DVI-D - DVI-D Dual Link 10m Black

This cable connects DVI-D ports to deliver digital video between source and display. The dual-link design increases available bandwidth for sharper images at higher resolutions. Gold-plated contacts and comprehensive shielding, together with ferrite cores, help maintain signal integrity over the 10 m length. The straight, screw-lock connectors and durable PVC jacket make routing and installation straightforward, so you can deploy or reconfigure displays with minimal effort.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	10 m
Connector 1	DVI
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	DVI
Connector 2 gender	Male
Connector 2 form factor	Straight
Product colour	Black

HDCP	No
Cable material	Tinned copper
Dual Link DVI	Yes
AWG wire size	24AWG
Connector contacts plating	Gold plated
Cable jacket material	PVC
Quantity per pack	1 pc(s)

Weight & dimensions

Weight	1550 g
Cable diameter	11.5 mm
Package weight	1550 g
