

Cable DVI-D - DVI-D Dual Link 3m Black3m DVI DVI Black

Data sheet

Summary

- ✓ Dual link DVI-D connection for higher bandwidth and improved image clarity on digital displays.
- ✓ Gold plated contacts and tinned copper conductors to reduce corrosion and maintain stable signal transfer.
- ✓ Ferrite cores plus aluminum foil and braided shielding cut down electromagnetic interference in busy IT and AV environments.
- ✓ PVC jacket and 28AWG wiring balance flexibility and durability for straightforward cable routing and tidy installations.
- ✓ Consider: the cable is digital DVI-D only and the 3 m length may not suit longer runs.

Product description

Why choose this DVI cable?

Prokord Cable DVI-D - DVI-D Dual Link 3m Black gives you a reliable digital video link with a focus on signal integrity and ease of installation. It reduces image problems in interference-prone environments, keeps connections secure with thumbscrew fittings, and offers enough reach for typical workstation and AV setups without adding clutter.

Cable DVI-D - DVI-D Dual Link 3m Black in short:

- Dual link DVI-D connection for higher bandwidth and improved image clarity on digital displays.
- Gold plated contacts and tinned copper conductors to reduce corrosion and maintain stable signal transfer.
- Ferrite cores plus aluminum foil and braided shielding cut down electromagnetic interference in busy IT and AV environments.
- PVC jacket and 28AWG wiring balance flexibility and durability for straightforward cable routing and tidy installations.
- Consider: the cable is digital DVI-D only and the 3 m length may not suit longer runs.

Product details

The Prokord Cable DVI-D - DVI-D Dual Link 3m Black connects two DVI-D devices with straight, male connectors and secure thumbscrews for a firm fit. Its dual link design supports higher data rates needed for detailed displays, while gold plating and layered shielding help preserve picture quality over the 3 metre run. The cable's construction makes it well suited to control rooms, conference setups, and professional workstations where consistent, interference-free video is required.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	3 m
Connector 1	DVI
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	DVI
Connector 2 gender	Male
Connector 2 form factor	Straight
Product colour	Black

HDCP	No
Cable material	Tinned copper
Dual Link DVI	Yes
AWG wire size	28AWG
Connector contacts plating	Gold plated
Cable jacket material	PVC
Quantity per pack	1 pc(s)

Weight & dimensions

Cable diameter	8.5 mm
Weight	376 g
Package weight	376 g

Logistics data

Harmonized System (HS) code	84733080
