

Cable DVI-I - DVI-I Dual Link 1m Black 1m DVI-D DVI-D Black

Data sheet

Summary

- ✓ Dual-link DVI support for higher bandwidth video, suitable when you need more than single-link performance.
- ✓ 1 m length, ideal for close-range connections between a PC and a monitor or projector.
- ✓ Straight, male-to-male connectors with gold-plated contacts for reliable contact and reduced corrosion.
- ✓ Black finish and single-piece pack, ready for immediate installation.
- ✓ Check connector compatibility before purchase: product data lists DVI-D connectors, so verify your devices accept DVI-D or DVI-I.

Product description

Why choose this cable?

Prokord Cable DVI-I - DVI-I Dual Link 1m Black gives you a compact, reliable video connection for short-distance setups. It supports dual-link DVI to handle higher display bandwidth, and gold-plated contacts help maintain stable signal transfer and resist corrosion. The 1 m length keeps cabling neat and suitable for desktop monitor connections and AV racks.

Prokord Cable DVI-I - DVI-I Dual Link 1m Black in short:

- Dual-link DVI support for higher bandwidth video, suitable when you need more than single-link performance.
- 1 m length, ideal for close-range connections between a PC and a monitor or projector.
- Straight, male-to-male connectors with gold-plated contacts for reliable contact and reduced corrosion.
- Black finish and single-piece pack, ready for immediate installation.
- Check connector compatibility before purchase: product data lists DVI-D connectors, so verify your devices accept DVI-D or DVI-I.

Prokord Cable DVI-I - DVI-I Dual Link 1m Black

This cable connects DVI-equipped source devices to displays using straight, male-to-male DVI connectors and is intended for short runs where a tidy, dependable link is required. Dual-link capability allows the cable to carry greater video bandwidth than single-link cables, which is useful for higher-resolution displays. Gold-plated contacts improve long-term contact reliability. The product is supplied as one 1 m black cable; confirm connector compatibility with your hardware before ordering.
