- ✓ Slim black housing with gold-plated contacts and thumbscrew posts for a secure, low-profile fit.
- ✓ Supplied as a single unit, 1pc per pack.
- ✓ Note: DVI-D carries video only, audio must be routed separately.

Product description

Why choose this adapter?

Prokord Adapter HDMI - DVI Black lets you connect HDMI sources to dual-link DVI-D displays without active converters. It delivers a plug-and-play digital video path in a slim black housing, with gold-plated contacts and thumbscrew posts for a secure, corrosion-resistant connection that fits meeting rooms, studios, and home setups.

Adapter HDMI - DVI Black in short:

- Straight HDMI female to straight DVI-D male connection, with dual-link DVI support for higher-resolution displays.
- Useful for linking streaming sticks, media players, and modern PCs to older DVI-D monitors and projectors.
- Slim black housing with gold-plated contacts and thumbscrew posts for a secure, low-profile fit.
- Supplied as a single unit, 1pc per pack.
- Note: DVI-D carries video only, audio must be routed separately.

Product details

The adapter provides a direct digital video link when you need an HDMI-to-DVI-D connection without active conversion. The HDMI female receptacle accepts standard HDMI cables or source devices, and the straight DVI-D male plug fastens to displays using thumbscrew posts for a stable fit. Gold-plated contacts improve contact reliability and resist corrosion through repeated use, while the compact black housing keeps the installation neat and unobtrusive. The product is supplied as one piece per pack.
