

# Prokord DVI-VGA 0049

Data sheet

## Core Specs

|                |              |
|----------------|--------------|
| Cable length   | <b>2 m</b>   |
| Connector 1    | <b>DVI</b>   |
| Connector 2    | <b>VGA</b>   |
| Product colour | <b>Black</b> |

## Summary

- ✓ Link DVI-A sources to VGA displays, easy plug and play
- ✓ 2m length provides flexible placement for office or classroom setups
- ✓ Gold plated contacts ensure stable, corrosion resistant connections
- ✓ Alu foil and braid shielding plus ferrite cores reduce interference
- ✓ Durable PVC jacket and tinned copper conductors for reliable service

# Product description

## Why choose this cable?

Prokord Cable DVI-A - VGA 2m Black provides a dependable analog link between DVI-A outputs and VGA displays. Its 2m length and flexible PVC jacket suit desktop and meeting-room setups, while gold plated contacts and combined aluminium foil and braid shielding reduce interference for clearer, more stable video during presentations and everyday use.

## Cable DVI-A - VGA 2m Black in short:

- Connects DVI-A sources to VGA monitors and projectors for legacy compatibility.
- 2m length fits typical desk-to-display and conference-room layouts.
- Gold plated contacts and tinned-copper conductors with foil and braid shielding help preserve signal quality and resist corrosion.
- Ferrite cores on the cable reduce electromagnetic interference in electrically noisy environments.
- Not suitable for digital-only DVI-D signals or very high-resolution digital displays.

## Product details

The Prokord Cable DVI-A - VGA 2m Black uses straight male connectors for simple plug-and-play installation and reliable contact. The durable PVC jacket and 8mm cable diameter give flexibility and protection for frequent handling. With combined shielding and gold plated contacts, the cable is designed to maintain analog video integrity over the 2m span, making it practical for offices, classrooms, and presentation setups.

## Features

|                            |             |
|----------------------------|-------------|
| Cable length               | 2 m         |
| Connector 1                | DVI         |
| Connector 1 gender         | Male        |
| Connector 1 form factor    | Straight    |
| Connector 2                | VGA         |
| Connector 2 gender         | Male        |
| Connector 2 form factor    | Straight    |
| Product colour             | Black       |
| Connector contacts plating | Gold plated |

|                 |                        |
|-----------------|------------------------|
| HDCP            | No                     |
| HBR2 support    | No                     |
| Cable material  | Tinned copper          |
| Cable shielding | Aluminium foil + braid |
| Jacket material | PVC                    |
| AWG wire size   | 28AWG                  |

Weight & dimensions
