

Prokord HDMI-D 0053

Data sheet

Core Specs

Cable length	0.5 m
Connector 1	HDMI
Connector 2	DVI
Product colour	Black

Summary

- ✓ 0.5m HDMI to DVI-D cable for reliable short-range digital links
- ✓ Gold plated contacts and alu foil + braid shielding reduce signal loss
- ✓ 30AWG tinned copper and PVC jacket balance flexibility and durability
- ✓ Straight male connectors provide quick, secure plug and play setup

Product description

Why choose this cable?

Prokord Cable HDMI - DVI-D Single Link 0.5m Black delivers a dependable short-run digital link between HDMI sources and DVI displays. It offers stable signal transmission thanks to foil and braid shielding and gold-plated contacts. The compact length and flexible PVC jacket make it easy to route in small desks or AV cabinets while keeping connections secure.

Prokord Cable HDMI - DVI-D Single Link 0.5m Black in short:

- Connects HDMI sources to DVI-D displays for straightforward digital video transmission.
- Gold-plated contacts and aluminium-foil plus braid shielding reduce connection issues and interference.
- Compact 0.5 m length and 5.5 mm diameter suit tidy, short-reach setups such as desktop monitors or small AV racks.
- Flexible PVC jacket and 30AWG tinned-copper conductors balance durability with ease of handling.
- Consideration: the short length and lack of HDCP support may limit use with some protected video sources or longer cable runs.

Product details

This Prokord cable features straight male HDMI and straight male DVI-D single-link connectors for a simple plug-and-play connection. The DVI-D interface carries digital video only, so it is intended for displays that accept digital DVI input. Gold-plated contacts resist corrosion and improve contact reliability over repeated insertions. The combination of aluminium foil and braid shielding helps maintain signal integrity in environments with typical office or home electronic interference. The PVC jacket provides a robust, flexible outer layer that keeps the cable manageable in compact installations.
