

Prokord HDMI-D 0056

Data sheet

Core Specs

Cable length	1 m
Connector 1	HDMI
Connector 2	DVI
Product colour	Black

Summary

- ✓ Secure HDMI to DVI-D connection with gold-plated contacts
- ✓ Alu foil plus braid shielding reduces interference in office setups
- ✓ Durable PVC jacket and slim 5.5mm cable fit tight cable runs
- ✓ Compact 1m length keeps workstations tidy and connections short
- ✓ Single link 30AWG tinned copper wiring suits everyday AV setups

Product description

Why choose this cable?

Prokord Cable HDMI - DVI-D Single Link 1m Black gives you a straightforward, reliable link between HDMI sources and DVI-D displays. It is built for everyday IT and AV setups, with gold-plated contacts and robust shielding to reduce interference. The compact 1m length and slim jacket keep your workspace tidy and easy to manage.

Prokord Cable HDMI - DVI-D Single Link 1m Black in short:

- 1m length, ideal for close-range connections between PCs, monitors, and projectors.
- Straight male HDMI to straight male DVI-D connector, with a secure screw-fit on the DVI side for stable attachment.
- Gold-plated contacts and tinned copper conductors for consistent contact and signal reliability.
- Aluminium foil plus braid shielding and a PVC jacket for reduced interference and durable routing at 5.5mm diameter.
- Single link connection, not suited for very high-bandwidth transmissions over long distances or for sources requiring HDCP.

Product details

The Prokord Cable HDMI - DVI-D Single Link 1m Black connects an HDMI output to a DVI-D input for digital video transmission. It omits HDCP support, so protected content from some sources may not pass through. The cable's 30AWG conductors and robust shielding help maintain a clear signal in typical office and meeting-room environments, while the molded connectors and slim PVC jacket make installation and cable management simple.
