

Prokord HDMI-D 0058

Data sheet

Core Specs

Cable length	3 m
Connector 1	HDMI
Connector 2	DVI
Product colour	Black

Summary

- ✓ 3m length gives flexible device placement
- ✓ Plugs straight into HDMI and DVI-D ports for quick setup
- ✓ Gold plated contacts keep reliable connections and reduce wear
- ✓ Aluminium foil plus braid shielding reduces interference for stable video
- ✓ PVC jacket and 30AWG tinned copper ensure durable daily use

Product description

Why choose this cable?

Prokord Cable HDMI - DVI-D Single Link 3m Black gives a reliable link between HDMI sources and DVI displays, with robust shielding and gold plated contacts to reduce interference and improve durability. The 3 m length allows flexible device placement and straightforward installation for common AV and IT setups.

Prokord Cable HDMI - DVI-D Single Link 3m Black in short:

- Connects HDMI devices to DVI-D monitors, projectors, and AV equipment, suitable for meeting rooms, home theatre installs, and on-site AV setups.
- Gold plated contacts and aluminium-foil plus braid shielding help maintain a clear signal in environments with moderate electrical interference.
- Straight, male HDMI to male DVI-D connectors with screw locks provide a secure, easy-to-fit connection.
- Flexible 30AWG tinned-copper conductors and a PVC jacket make routing and handling simple in confined spaces.
- Note: this is a single-link DVI cable and does not support HDCP or HBR2, so it may not pass protected content or meet very high-bandwidth requirements.

Product details

The cable is built for dependable everyday use, combining tinned-copper conductors, gold plated contacts, and dual-layer shielding to protect the signal path. The PVC jacket and 5.5 mm diameter keep the cable flexible for neat cable runs, while the straight connectors and screw locks secure the connection to displays and projectors. Supplied as a single 3 m cable, it is a practical choice when you need a straightforward HDMI to DVI-D link without extra features for protected or ultra-high-bandwidth signals.

Technical Specification Matrix

Header

Manufacturer	Prokord
--------------	---------

Features

Cable length	3 m
Connector 1	HDMI
Connector 1 gender	Male
Connector 1 form factor	Straight
Connector 2	DVI
Connector 2 gender	Male
Connector 2 form factor	Straight

Product colour	Black
Connector contacts plating	Gold plated
HDCP	No
HBR2 support	No
Cable material	Tinned copper
Cable shielding	Aluminium foil + braid
Jacket material	PVC
AWG wire size	30AWG

Weight & dimensions

Weight	173 g
Cable diameter	5.5 mm
